This is to certify that

Ms. Dorottya Szécsi, born September 17th, 1988, in Budapest,

has been a member of the Bonn-Cologne Graduate School of Physics and Astronomy. In October 2013, Ms. Szécsi was awarded the membership in the BCGS honors branch because of her extraordinary academic performance. She received a BCGS honors scholarship during her PhD studies where she was among the best 10% of her age group.

The Bonn-Cologne Graduate School is a joint program of graduate studies between the Universities of Bonn and Cologne. It has been awarded funding in the German Excellence Initiative (2007-2019).

If you need further information do not hesitate to contact me.

Kind regards

Dr. Petra Neubauer-Guenther
